Finally, you are meeting your Idol Justin Buble and can ask him all the important questions you have always wanted to ask him. Here is the interview:

Me: Did you always wanted to be a singer?

Justin: Yes, since I was a kid I have been singing and dancing.

Me: How often do you train during the week?

Justin: I train 5 to 7 time a week. After I had bought this house I stepped up my game.

Me: What does your wife think about you training that much?

Justin: Stop asking me personal questions.

Me: I am sorry. I think she must miss you a lot.

Justin: Sorry, please leave.

After your disastrous interview you tell your friends what happened. You need your Reported Speech skills, and don't forget you will also need new introductory verbs.
